

# INVICTA FARMS

SANTA FE • NEW MEXICO

## My Pledge for Barn Visits During Covid-19 Crisis

I, \_\_\_\_\_, pledge to follow the self-isolation policies as outlined by the Governor of the State of New Mexico. Specifically, I will adhere to the following in my home and day-to-day life:

- I will stay home and avoid contact with other people as much as my work will allow.
- I will stay home for 7 days if I have any or someone I was in close contact with within 7 days has had any of the following symptoms: fever, difficulty breathing.
- I will practice social distancing when in public, maintaining 6 feet of separation from other people.
- I will not congregate in groups greater than 5 people.
- I will practice proper hand washing techniques with soap and water for at least 20 seconds especially after I have been in a public place, or after blowing my nose, coughing, or sneezing.
- If soap and water are not readily available, I will use hand sanitizer and cover all surfaces of my hands and rub them together until they feel dry.
- I will avoid touching my eyes, nose, and mouth with unwashed hands and will immediately wash my hands if I do touch my face.
- I will limit time with older adults, relatives, and people with serious underlying medical conditions.

**Additionally, during visits to the barn, I will adhere to the following rules and procedures to limit the risk to myself, other boarders, and Invicta Farms staff:**

- Upon arrival, I will immediately wash my hands thoroughly for 20 seconds.
- I will be punctual with my time, understanding I will be asked to leave when my time has expired.
- I will not congregate in any area and respect the staff and other boarders by practicing social distancing.
- I will respect the closure of certain facilities at the barn including the lounge, and other facilities listed as off limits by the staff.
- I understand that no friends or family are allowed at the barn at this time, only the boarder.
- I will not share tack or brushes, and I will only use my own personal equipment. Barn supplied equipment is unavailable at this time.
- If I feel sick or anyone in my household is sick (symptoms include, but are not limited to fever, cough, difficulty breathing), I will stay home.
- If I travel outside the state of NM, I will not come to the barn for 14 days upon my return.
- Before I leave the barn, I will spray or wipe down any and all surfaces that I have touched. The barn will supply buckets of Clorox/water solutions throughout the barn as well as spray bottles for my convenience.
- Once I am scheduled for my visits, I agree to provide 24hr notice of any changes, recognizing that changes will have to be approved by the staff based on schedule availability.

**I understand that if I do not abide by any of the above rules I will be asked to stay home.**
